

# NEW! MPM Bag-in-Box packaging

The new MPM 'Bag-in-Box' packaging of 20 liters is designed to offer the workshop an environmentally friendly alternative to the current traditional plastic packaging.

## Environment and recycling

The box of the Bag-in-Box is made from sustainable cardboard where no additional dyes and bleaches are used. This ensures a more environmentally friendly manufacturing process and the MPM Bag-in-Box packaging is therefore recyclable.

After use, the box can be disposed of as waste paper and the plastic bag as residual waste.

Empty Bag-in-Box packaging can easily be compressed and as a result, they take up to 90% less space. This reduces the environmental impact of the MPM Bag-in-Box even further.

## Leak-proof faucet

The Bag-in-Box has a unique design faucet. This faucet is leak-proof and does not drip after.

## MPM racks

The MPM Bag-in-Box fits perfectly into your existing MPM racks (E3012L / E4020L / E4040L / E4060L).

## Exceptionally rigid packaging

MPM uses exceptionally sturdy cardboard for the Bag-in-Box packaging, minimising the risk of sagging. On top of that, the packaging is equipped with integrated handles.

## Article number

As you have come to expect from MPM, we incorporate the volume into the item number. With the current plastic cans, the digits of the item number always end in '020'. Whereas with the equivalent in the new Bag-in-Box, the '0' is replaced with 'B'. For example:

05020PC - Motor Oil 0W-30 Premium Synthetic PC (Plastic 20L)

05B20PC - Motor Oil 0W-30 Premium Synthetic PC (Bag-in-Box 20L)

## References

MPM Oil now has a Bag-in-Box solution for the following 15 motor oil products in 20 liters:

05B20C2	Motor Oil 5W-30 Premium Synthetic C2 Citroën/Peugeot
05B20C3	Motor Oil 5W-40 Premium Synthetic C3
05B20C4	Motor Oil 5W-30 Premium Synthetic C4 Renault
05B20C5	Motor Oil 0W-20 Premium Synthetic C5
05B20DPF	Motor Oil 5W-30 Premium Synthetic C3 DPF
05B20E	Motor Oil 5W-30 Premium Synthetic Fuel Conserving Ford
05B20EB	Motor Oil 5W-20 Premium Synthetic EcoBoost
05B20EDT	Motor Oil 0W-30 Premium Synthetic EDT
05B020ESP-FE	Motor Oil 0W-20 Premium Synthetic ESP-FE
05B20ESP-L	Motor Oil 0W-30 Premium Synthetic ESP-L
05B20ESP-X	Motor Oil 5W-30 Premium Synthetic ESP-X
05B20JP	Motor Oil 0W-20 Premium Synthetic JP
05B20PC	Motor Oil 0W-30 Premium Synthetic PC
05B20RN	Motor Oil 5W-30 Premium Synthetic RN
05B20V	Motor Oil 0W-30 Premium Synthetic A5/B5

For now, MPM will also continue to supply these references in the current plastic can.
